Understood, The amount has to be drawn by the DC after the acquisition is sanctioned but as there is usually some interval between the sanction of the acqn and the ~~payment~~ ~~grant~~ of settlement of the award & its payment to the parties, the Comptroller has issued instructions that the amount may be drawn by the acqn officer only when the award is actually paid by obtaining a voucher from the Panchayet for the advance so paid. Subject to the circular which makes the order clearer, may perhaps be approved in an order.

VP 17-29-1

SIR,

In forwarding herewith a copy of this office Circular No. 154/M.A dated 6-7-29 containing instructions in the matter of drawing and accounting of advances to Village Panchayats for acquisition of lands for Village Extensions, I have the honor to state that Government Order No.L.7036-45 V.P.13-26-1 dated 6th April 1927 requires that the advance should be drawn by the Deputy Commissioner after the acquisition is sanctioned and credited to the accounts of the Village Panchayats concerned in the first instance and that this amount supplemented by the Panchayat funds and the contribution from the villagers, if any, should subsequently be paid by the Village Panchayats to the Land Acquisition Officer after the award is passed for payment to the concerned ~~party~~ parties.

2. As there will ordinarily be some months' interval between the date of the Government Order sanctioning the acquisition of the land and the payment of the award after it is passed it will not be necessary to permit the advance being drawn immediately after the acquisition is sanctioned. As the Land Acquisition Officer who has to make the payments is a Government Officer he can himself draw the advance at the time the award has actually to be obtained by obtaining a voucher for the advance from the Panchayat. Instructions have been issued accordingly in the circular referred to and I believe that this will meet with the approval of Government.

I have the honor to be,
Sir,
Your most obedient servant,

S. Shamanna
Comptroller.
